**ITEM NUMBER:
331990**

PRODUCT DESCRIPTION

The BlackSatino air freshener dispenser contributes to the overall toilet experience through its subtle fragrance diffusion. Two air freshener fragrances are available: SparQ and Qlash. By alternating regularly, the toilet experience remains enjoyable and fun for visitors. The dispenser is part of the modern design of the BlackSatino line.

The dispenser has no electronics or batteries. For optimal operation, we recommend mounting the air freshener dispenser in a place with natural air ventilation, such as at the door of the toilet cubicle.
