DISPENSER FOR FOLDED
TOILET PAPER - SINGLE
TOILET USE

**ITEM NUMBER:
332040**

PRODUCT DESCRIPTION

This compact toilet paper dispenser is especially suitable for folded toilet paper. Due to its compact design, this dispenser is particularly suitable for smaller toilet areas with low to medium visitor traffic. The dispenser is easy to refill at any time.

Folded toilet paper has less impact on the environment than regular toilet rolls. The packets of toilet paper do not contain a core, which means that no air is carried during transportation. There is also no waste from empty cores after use.
